**MELBOURNE REGENT** — A Calrossie Diamond bull out of the grand old cow that produced Melbourne Rosebud, the first AAA cow under the American herd classification. Marellbar Rosebud 3d founded the best cow family in the Melbourne herd, and there are twelve females of this family producing for us. **BURTON SKYLARK** — A flashy, beautiful headed bull with good legs and bone. Would make an ideal sire of show steers. He has double cross of Calrossie Crocus Count, sire of Burnton Bank Book, supreme champion at Perth 1954 sold for \$21,900, sire of the reserve supreme champion the same year at \$16,800, sire of another reserve supreme champion at Perth at \$15,000 also sired two reserve junior reserve champions at Perth \$6,900 and \$3,450, plus numerous other prize winners, both bulls and females. Calrossie Hyperbole sired two supreme champions at Perth, one at \$18,600, another at \$34,000, plus a grand lot of females from which other great cattle have come. Both Crocus Count and Hyperbole were by the world renowned Calrossie Welcome. Burnton Skybolt was reserve male champion and winner of the Casares cup at the Royal Highland show in 1961, regarded as "the show" in the British Isles. Beaufort Chevalier, known as the bull with the perfect head, sold for \$8,700 to Burnton. Burnton Skylark with his background should interest anyone wishing to add prestige to his herd.

**KINELLAR REFINER** is making a fine record as a sire at Tempel Farms. He was the \$6,000 International Congress Sale champion and Calgary champion, 1960. Lots 19 and 20 are sons.

**CALROSSIE CHEVALIER** — by Burnton Bandolier, a full brother to Burnton Skybolt, sire of our other imported-in-dam bull, Burnton Skylark, also selling and fully as good a herd bull prospect. The background of these sires are the same except the sire, Burnton Bandolier, was purchased at Perth by Calrossie at \$9,000 after he won his class. Like his full brother he won the Casares Cup at the Royal Highland Show in 1960. The dam's side of this pedigree is very interesting. Calrossie Keynote, sire of the top female at \$2,500 in the 1961 Kickapoo sale, also the sire of Kickapoo Keynote who is doing a remarkable job for the Johnson Bros. in Iowa, as well as for us, Kickapoo having kept a third interest and semen privilege in him. Millhills Liberator sired many beautiful females. Two of his daughters in our herd produced our second high selling female at \$2,200, another at \$1,500, and a bull at \$1,950 in our 1961 sale. Calrossie Cupbearer is the grand sire of our great old sire Calrossie Highland Chieftain. Calrossie Roth's Flower is a uterine sister to Calrossie Hyperbole.

**KICKAPOO CLIPPER MELLY** — The dam of this beautiful female was purchased at the Illinois State sale in 1962. We anticipate being in the position to say purchases at the Illinois State sale do breed well and pay large dividends on your investment as should be the case in this transaction. She is every bit as outstanding as our champion female in this sale last year that sold for \$1,500 the top female of the sale. Her sire needs no introduction. Calrossie Diamond has proven himself as we all know. Sells open. Pretested clean and vaccinated. Herd federally accredited for TB and Brucellosis.

PIN OAK BUTTERFLY LADY 53RD — A very well grown daughter of Brown-Forman Braemar that could make a summer yearling show heifer for this year. Her dam by Fair Acres Foundation is one of the largest cows in our herd. Her calves are very fast gainers and also the right type. Pretested and vaccinated for Bangs and vaccinated for Lepto. Pin Oak Butterfly 5th is also the dam of our junior herd sire. We have a lot of faith in the Butterfly Lady bloodline.
